RENAULT DUSTER
the unstoppable SUV built for adventure

robust off-roader looks

Built for adventure, the new Renault Duster is a vehicle of distinctive styling, now with refreshed exterior design cues. The tone is set by the aggressive lines and chrome trim of the grille, alongside a raised waistline. Powerful newly updated signature C-shaped Daytime Running Lights front, and LED rear lights complete the robust stance of the Duster.

These strong, powerful lines are enhanced by new 16" or 17" alloy wheel rims that underline the car's character. A car to open new horizons.

Features and images may vary and be optional depending on model, and are subject to change without notice.

a cabin designed for you

The interior of the Renault Duster reflects its generous, adventure-seeking nature. The spacious cabin is bright and reassuring. The driver* and passenger seats provide plenty of support with new 'comma shaped' headrests to ensure comfort on your journey.

The upholstery features a high-quality finish, as does the dashboard, where particular emphasis was placed on ergonomic design, and features an all new semi-flush 8" touch screen multimedia display and backlit steering wheel controls. Behind the steering wheel, adjustable for height and reach, TFT digital meters invite you on an inspirational and illuminated tour of discovery.

* With armrest and lumbar adjustment.

Features and images may vary and be optional depending on model, and are subject to change without notice.

heading for the wide open spaces

What could be more exciting than setting out on an adventure with your family or friends? It takes just a few seconds to adapt the modular interior layout of Renault Duster to your needs or requirements: the rear bench seat features a 1/3-2/3 split-fold function, while the boot boasts record loading capacity*.

The new Duster features an array of storage compartments around the cabin, from the doors to the seat backs to the central console.

*478 dm³ in the 4x2 version.

Features and images may vary and be optional depending on model, and are subject to change without notice.

easier city driving

Drive with an easy mind. Use the **hands-free card*** to unlock the doors automatically as you approach the vehicle. It also allows you to start and stop the vehicle without getting the key out of your pocket, and automatically locks the car as you walk away.

On the road, the **blind spot warning*** picks up any hidden vehicles, while the **speed limiter** and **cruise control** functions help you concentrate on your driving. Delivering real support, in the city and on the open road!

*Standard on Intens model

Features and images may vary and be optional depending on model, and are subject to change without notice.

harnessing the spirit of adventure

Nothing stops the Renault Duster, neither sharp slopes, nor steep tracks.

Hill Start Assist and Hill Descent Control let you drive anywhere with ease.

With the compass, altimeter and 4x4 Monitor*, you can even check the pitch and roll angles of your SUV at any time. Explore without limits.

The Transmission Mode Selector* allows you to switch between 3 driving modes. **2WD Mode** - engine torque distributed to the front wheels. **Automatic Mode** - distribution of engine torque over the four wheels depending on grip conditions. **Lock Mode** - engine torque distributed to all four wheels.

*Standard on 4x4 model

powerful, yet economical

Rediscover effortless driving with the new Renault Duster. This trendsetter is available with three engine options.

Choose between the incredible 1.5dCi turbo diesel engine in 4x2, 4x2 EDC and 4x4.

DCi power performance and comfort

Driving the Duster 1.5dCi is an amazing experience where driving confidence and comfort are the keywords in all situations, including the most extreme.

The diesel 1.5dCi 4x2's engine has outputs of 66kw and 210Nm and consumes from just 5.1L/100km. The 4x2 EDC and 4x4 manual version has outputs of 80kW and 250Nm with consumption from only 4.8L/100km.

EDC dual-clutch gearbox

For greater comfort and pleasure, the 6-speed dual-clutch EDC automatic gearbox is available with the 1.5dCi 4x2 diesel engine.

Upshifting is fast and smooth, with no jerking or loss in acceleration. Fuel consumption is comparable to that of the manual version from only 4.8L/100km.

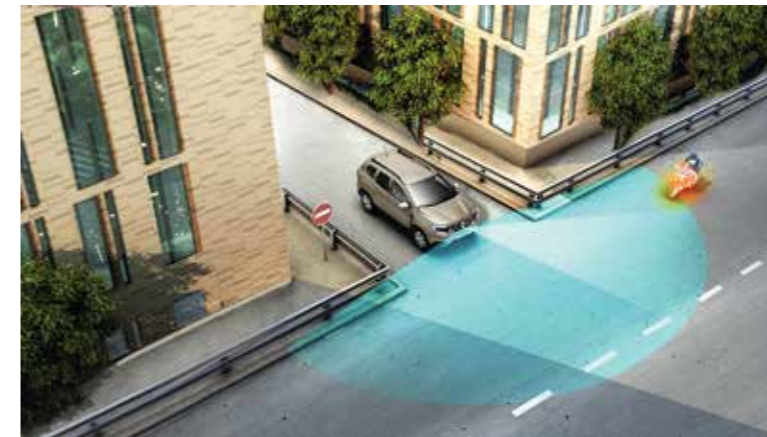

always looking out for you

(ABS) Anti-lock Braking System with **(EBD) Electronic Brake Force Distribution**, in conjunction with **(EBA) Emergency Brake Assist**: makes it possible to maintain control over the trajectory in the event of heavy braking.

Rear Park Distance Control. To make parking manoeuvres easier. The parking distance control system warns you of obstacles situated behind the vehicle by a sequence of beeps which speed up the closer you are to them.

MultiView Camera.* Connected to the MediaNav system, the MultiView Camera shows the images from Duster's four on-board cameras. It is triggered by reverse gear or by a simple touch of the dedicated button.

*Standard on 4x4 and Intens model

(HSA) Hill Start Assist. Starting the car on steep slopes is no longer a worry. When you take your foot off the brake, hill-starting assist takes over and holds the vehicle steady for two seconds. This gives you time to accelerate normally without stalling or rolling back.

accessories

exterior customisation & protection

Accentuate the rugged and powerful look of your new Renault Duster with these styling bars, to ensure your vehicle asserts its personality and stands out from the crowd!

1. Chrome front, side and rear styling bars

Protect your vehicle's bumpers while enhancing your Duster's muscular design.

2. Chrome rear styling bar

Protect your vehicle's rear bumper, an essential way of expressing your adventurous spirit!

3. Chrome side styling bar

4. Side steps

A must-have accessory for accentuating the vehicle's 4x4 style. They allow you to comfortably reach any loads on your roof.

accessories

5. Side door protectors, front and rear wheel arch mouldings (for use with the blind spot detection system), door edge and door mirror protectors

Accentuate your new Duster's rugged styling while protecting the bottoms of its doors and wheel arches. Take care of door edges and door mirrors too, by equipping them with flexible protectors to deal with minor day-to-day impacts.

6. Duster front and rear mudguards

Effectively protect your vehicle's underbody from water splashes, mud splatters and flying gravel.

7. Black front protection bar with auxiliary headlights

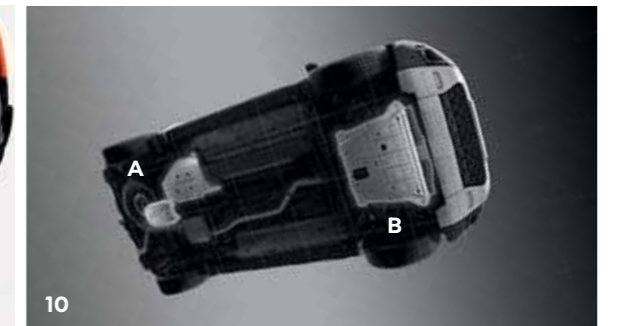

Give your vehicle personality and a sportier look. Mounted on the bumper, with auxiliary headlights to supplement your main beam.

8. Black bonnet protector & door mirror shells

Perfect for boosting the dynamic look of your Duster and accentuating its rugged appearance.

9. Aluminium lower front guard

Take care of your vehicle's radiator grille and engine underside with this aluminium guard; it enhances the structure as well as the SUV look of the vehicle.

accessories

interior customisation

5. Duster stainless steel boot sill

The practical and made-to-measure stainless steel boot sill enhances the bumper and adds a touch of style.

6. Front armrest with storage and cup holder organiser

Improve your comfort while benefiting from extra storage space with this armrest attached to the driver's seat. Compatible with the half-height console. The cup holder organiser gives you maximum space for keys, coins, cans or bottles.

5

6

7. Boot liner

Perfect for transporting dirty items, the boot liner effectively protects the original carpet.

7

8. Easyflex modular boot protection

Cover the entire load space for safety and securely transporting bulky or dirty items. Versatile and waterproof, it folds and unfolds very easily to adapt to the position of the rear seats, even when folded down.

8

accessories

storage & towing

9. Roof bars - aluminium - on longitudinal bars

Ideal for adding a bicycle rack or roof box and increasing your vehicle's carrying capacity. The Duster original roof bars meet and exceed the requirements of standards in terms of safety and durability.

10. Duster 400l frosted black rigid roof box

Increase your vehicle's load capacity and travel without compromise! Practical, robust and attractive, this box combines all the qualities you need. Secured with a lock.

11. Swan neck fixed towbar

Essential for safely towing or transporting your bicycle rack, trailer, boat, caravan or professional equipment.

Renault Care

we strive to provide you with the highest level of after sales service so you can continue to enjoy you Renault ownership journey

5 Year / 150 000km Warranty peace-of-mind comes standard

The Renault Warranty comes standard with every new vehicle, covering the costs of repair of any unexpected electronic or mechanical malfunctions, for a period of up to 5 years or 150 000km, whichever comes first.

Refer to the warranty booklet

Service / Maintenance Plans standard or tailor-made options are available to suit your needs

A Service Plan is a cost-effective way to cover your Renault's scheduled service programme, giving you full peace of mind for the duration of the Service Plan.

Purchase or upgrade your existing Service Plan to a comprehensive Maintenance Plan that not only covers the cost of your Renault scheduled service programme, but also covers the replacement, maintenance or repair of specific wear-and-tear items*.

The key benefits of a Renault Service Plan or Comprehensive Maintenance Plan are:

- | | |
|---|--|
| <p>1. added value
Service and Maintenance Plans are costed at preferential rates as well as offering protection from inflationary increases for the duration of the plan.</p> | <p>2. full peace of mind
Only genuine parts are used.</p> |
| <p>3. Renault expertise
Renault qualified technical personnel will attend to your vehicle.</p> | <p>4. protect your warranty
All workmanship and parts warranted by Renault.</p> |
| <p>5. cost of wear & tear items covered (Maintenance Plan only)
Items covered: Clutch, exhaust, globes & fuses, shock absorbers, drive belts, battery, wiper blades, brakes.</p> | |

*T's & C's Apply. Warranty does not cover wear and tear items such as shock absorbers, brake pads, clutch, cam belt, etc.

Parts availability

Renault ranks amongst South Africa's motor industry leaders in affordable parts pricing. We strive to ensure an excellent level of parts availability at our Renault Dealerships.

Book a service online

Because your convenience matters to us, you can now book your service online at a dealer of your choice in a few easy steps. You could be eligible to qualify for vouchers and other rewards, by booking your service through our online portal, to make your experience that much more rewarding.

Go to www.renaultcarcare.co.za

24 hour roadside assistance

Whatever the emergency, we'll always be there. Because your personal safety is of utmost importance to us, help is one phone call away. Simply dial **0861 114 352** for assistance or for a team to be dispatched to you.

Our 24 hour Roadside Assistance Plan covers all new Renault vehicles for a period of 5 years or 150 000km with an option for extension.
